

# COMPUCLEAN®

## For Building Service Contractors

Spartan Chemical's CompuClean® Cleaning Management System provides a simple, cloud-based set of tools to help any Building Service Contractor more effectively manage operations. Contractors can expect to reduce paperwork, improve mobility, gain insight into operational performance, and improve work scheduling and customer feedback processes by utilizing CompuClean as part of the management process.

### HOW DOES COMPUCLEAN BENEFIT BUILDING SERVICE CONTRACTORS?

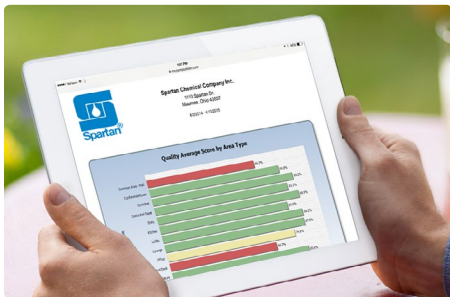

Below is a list of the most pertinent problems faced by Building Service Contractors paired up with a CompuClean feature that effectively addresses the issue. Sample questions are provided as a tool to help start the conversation.

CHALLENGE	INVESTIGATIVE QUESTIONS	COMPUCLEAN SOLUTION
<a href="#">MEASURING ACCOUNT AND EMPLOYEE PERFORMANCE</a>	<p>Are you currently able to effectively measure and communicate performance information to your customers?</p> <p>Would a mobile inspection system with built-in reporting improve the efficiency of your quality program?</p>	<ul style="list-style-type: none"><li>• <a href="#">COMPUCLEAN QUALITY ASSURANCE</a></li><li>• <a href="#">MOBILE APP</a></li></ul>
<a href="#">MANAGING PERIODIC PROJECTS</a>	<p>Is keeping track of periodic floor care and other infrequent projects a challenge for you?</p> <p>Can you easily view a completion history for periodic projects and provide it to your customers?</p>	<ul style="list-style-type: none"><li>• <a href="#">PERIODIC PROJECT MANAGEMENT</a></li><li>• <a href="#">MOBILE APP</a></li></ul>
<a href="#">RECEIVING AND COMMUNICATING WORK ORDERS</a>	<p>Are you able to receive web-based work requests from your customers and communicate them via text and email to your managers and staff?</p> <p>What challenges do you face when trying to track the completion of work requests within your organization?</p>	<ul style="list-style-type: none"><li>• <a href="#">WORK REQUEST MANAGEMENT</a></li><li>• <a href="#">MOBILE APP</a></li></ul>
<a href="#">TRACKING EQUIPMENT LOCATION AND MAINTENANCE HISTORY</a>	<p>Have you faced any difficulty keeping track of your cleaning equipment across various accounts?</p> <p>Do you have easy access to repair and maintenance history records for your equipment?</p>	<ul style="list-style-type: none"><li>• <a href="#">CAPITAL EQUIPMENT MANAGEMENT</a></li><li>• <a href="#">MOBILE APP</a></li></ul>
